Hi Eric: It was also nice meeting and speaking with you. Thanks for the handout sheet on the NFB site and your "hospitality" last week. Sorry for the delay in responding but I went on a tour of one of the nation's past Strategic Air Command (S.A.C.) nuclear bases. Here's a shot of one of my bikes and a display B-52 airplane there.

Good Morning Lou:

It was nice meeting up with you the other day. As discussed, I have attached our most recent fact sheet

ED_001490B_00004161-00001

for the NFB Site. This was distributed to local officials and hand delivered to the neighboring community prior to our June 1st mobilization for the removal action.

Please coordinate with all copied to the email for any of your press request needs.

Thanks

Regards,

Eric
